## ABOUT AROMAS.

Information R-garding the Manufacture of Scents -- A Gum That Whelms a Room With Odors.

Sweet-Smelling Plants Mentioned In MHoly Welt, "Myret, Aloes and Cagsis, Oufer Ivory Palaces."

Jasus Christ Likened Unto Myrrb, Which is Parpatus)ly Aromatic, the Same, Morning and Night.

Special to the Gazette.

BROOKLYN, N PY, Dec. 2 - New members were received at the Taber. nacle this morning, making the communicant membership 4192. Multitudes of strangers from all parts of the earth all together, led on by organ and cornet, William Cowper's

There is a fountain filled with blood Drawn from Emanuel's veine: And sinners plunged bonest; that flood Lose all their guilty stains.

The Rev. T. DeWitt Talmage, D.D., preached an elegaent sermon on "The Fragrance of the Gospel," taking for his "All thy garments smell of myrrh and aloes and cassia out of the ivory fice it for you and me to know that palaces "—Psalms xlv., 8. He said:

Among the grand adornments of the the world over, and when Christ comes

worn by popes and archbishops on great consists. There was a robe that had been worn by Pins VII. at the crowning of the first Napoleon. There was also a vestment that had been worn at the baptism of Napoleon II. As our guide opened the oaken presses and brought out these vestments of fabulous cost, and lifted them up, the fragrance of the pungent aromatics in which they had been preserved, filled the place with a sweetness of course of the pungent aromatics in which they had been preserved, filled the place with a sweetness of course of the pungent aromatics in which they had been preserved, filled the place with a sweetness of course of the sweetness of the place with a sweetness of the fragrance of the pungent aromatics in which they had been preserved, filled the place with a sweetness of course of the sweetness of the fragrance of the pungent aromatics in which they had been preserved, filled the place with a sweetness of course of the sweetness of the fragrance of the pungent aromatics in which they had been preserved, filled the place with a sweetness of the fragrance of the pungent aromatics in which they had been preserved, filled the place with a sweetness of the fragrance of the pungent aromatics in which they had been preserved, filled the place with a sweetness of the fragrance of the pungent aromatics in which they had been preserved, filled the place with a sweetness of the fragrance of the fragr served, filled the place with a sweetness that was almost oppressive. Nothing that had been done in stone more vividly impressed me than these things that had to be been in cloth, and embroiders, and perfume. But to day I open the drawer of this text, and I look upon the kingly robes of Christ, and as I lift them, flashing with eternal jewels, the whole house

I come and ask you for an explanation. By what logic was Christ induced to change the ivery palaces of heave for the cruc fitten agenies of early. I shall take the drat thousand addition years in heaven to study out that problem. Meanwhile and now, taking it as the tenderest and mightigater all facts that Christ did come, that He came with spikes in His feet, came with thorns in His brow, came with spears in His heavy to save you and with spears in His heart, to save you and to save me. "God so loved the world that He gave His only begotten Son, that whosever believeth in Him should not perish, but have everlasting life." O Christ, whelm this audience with Thy compassion Mow them down like summer grain with the barvesting sickle of Thy grace. Ride through to-day the conqueror, Thy garments smelling of "Myrrh, and sices, and cassia, out of the ivory palaces."

O sinner, fling everything else away and take Christ! Take Him now, not to-morrow. During the night following this very day there may be an excitement in your dwelling, and a tremulous pouring out of drops from an unsteady and affrighted hand, and before to-morrow morning your chance may be gone.

FTERARY GOSSIP.

"Faust" has been translated into modern Greek.

Of all Mr. Howells' works, "Venetian The entire estate left by Dr. James Freeman Clarke is worth less than \$22,-

years to publish all the posthumous And rson, Ella works of Victor Hugo.
